## FOUR BOYS HELD FOR \$203 THEFT IN BROOKLYN CHURCH

Money Taken From Muff Left in Pew While Owner Was in the Confessional.

On reports that Edwin Daniels, eleven, his older brothers, Clarence and Benjamin, of No. 23 Howard Street, Brooklyn, and their chum, Thomas McMahon, fourteen, were spending money extravagantly in the Bushwick Avenue section of Brooklyn, detectives London and McKeon began an investigation which ended in the arraignment of Clarence in the Gates Avenue court to-day and the other three in the Children's court charged with larceny.

The three younger boys went to the church of Our Lady of Mount Carmel Feb. 1 to have their throats blessed. While they were waiting Edwin investigated the contents of the muff of Mrs. Louise Daly who had left it in a pew while she was in the confessional. When he found it contained \$203 they left the church and took the money to Clarence. He

kept \$70 and divided the rest among the others. There was just -45 unspent today.

Clarence was bailed in \$500 and the others paroled in the custody of their parents until March 8.

## PRISONER DIVES IN RIVER AND SPURNS LIFE BELT

Knichan Takes Plunge on Way to Island and Fights With Rescuers in Water.

Louis Knichan, thirty-seven years old, of No. 1173 Gates Avenue, Brooklyn, a prisoner who was on the way to Blackwell's Island to serve a term of twenty days, jumped into the East River at the foot of Twenty-sixth Street this morning. He was rescued after he had refused to grasp a life belt thrown to him and was taken to Bellevue Hospital on a charge of attempting to commit suicide.

Knichan with a number of other persons was taken aboard the Department of Correction boat Fidelity. He suddenly stepped to the rail and jumped to the dock. Several keepers gave chase and Knichan jumped into the river. Capt. Joseph Conran of the Fidelity threw him a life belt, and when Knichan ignored it the Captain dived overboard, followed by Edward Dolan, a geckhand.

Knichan was swept under the dock and clung to the spiles there. Conran and Dolan supposed he had been drowned and swam to the boat. As they were climbing aboard they saw Knichan, and a second life belt was thrown to him, but he shouted he would drown before going to the island. Conran and Dolan both jumped in again, and after a struggle got the prisoner to the dock.

## PRISONERS FIGHT A FIRE IN JERSEY PENITENTIARY

Rescue Warden Who is Partly Overcome by Smoke—Inmates Calm During Blaze.

CALDWELL, N. J., March 1.—Prisoners in the Essex County Penitentiary here this morning successfully fought a fire that started in the timbers supporting the concrete roof on the new annex.

In order to dry out the concrete the contractors installed a number of open stoves in which fires are kept burning. These caused some of the timbers to catch fire and in a short time a brisk blaze was in progress. The prisoners manned their fire fighting apparatus and attacked the flames.

Warden Fred J. Hosp, directing the men, went into the burning section and when he did not respond several of the prisoners went after him. They found him on the floor partly overcome by smoke.

There are 275 inmates in the institution, including men and women. There was no panic.

## OUSTS COURT ATTENDANTS.

One Charged with Aiding Lawyer. Other With Theft of Mail.

Chief Magistrate McAdoo at a meeting of the Board of Magistrates to-day dismissed from the city service two court attendants for violations of rules of the board. They were Joseph H. Wilson, captain of the court attendants in the Women's Night Court in Brooklyn, and John F. Fletcher of the Domestic Relations Court, Brooklyn.

Wilson was charged with having recommended a lawyer to Ada Lambert, a prisoner. He was found guilty. Fletcher was charged with petty larceny and sentenced to three months in the workhouse. It was alleged that Fletcher stole mail addressed to the court containing money.

## \$6,750,000 BID AT RR. SALE.

Reorganization Committee Makes Offer at Mo. Pac. Proceeding.

Duncan A. Holmes of Rubin, Loebe & Co. and Robert H. Nelson of Graybill & Henderson on the steps of the County Court House today made a bid of \$6,750,000 for the securities of subsidiary companies which were foreclosed against by holders of Missouri Pacific 5 percent bonds maturing in 1920.

The amount of the loan for which these bonds were issued was \$9,438,000. The bidders acted on behalf of the Reorganization Committee of Missouri Pacific bondholders. Only one bid was received. It will, no doubt, be accepted.

## TODAY'S BEAUTY HELP

We find you can bring out the beauty of your hair to its very best advantage by washing it with canthrox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After its use you will find that the hair dries quickly and evenly, is never streaked in appearance, and is always bright, soft and fluffy; so fluffy in fact that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of canthrox which you can get from any good druggist, dissolve it in a cup of hot water, this makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head.

## THE BETTER WAY.

(From the Pittsburgh Post.) It is all right to talk on a subject that you know nothing about, but perhaps it is better not to pose as an authority.
